Tribute Wall

“ *I will always remember you as a loving and giving, unselfish woman!
♥ We don't choose to have a mental illness.....and people look at them like they are NOT a true haddicap, they really need to educate theirselves and understand!! You are in God's arms, just the other night Evan and I were watching a night vision video (security camera) and were stunned and saw our first Orb!! I know you are looking after all your beautiful children! We miss you and love you!*
