“ My condolences goes out to the Penland family for the loss of your husband, father and brother. Know exactly how you feel loosing our brother/ son just 6 weeks ago William B. Miller Jr who was a very good friend of Ray. Now they are together, as they were when they were growing up in New Castle. Hugs and Kisses, RIP Ray Penland, the Miller Family.

“ Deepest condolences to the Penland family. I had just met Ray at Billy Miller's services. He was good at the horseshoe game that day and a pleasure to have met him with Ricky & Diane. 🙏

“ Dad this is by far the hardest think I have ever had to write .. you were the first man I loved and the one that will always have my heart.. you taught me so much stuff how to drive how to stand up for myself, you always made me laugh and I could always count on you no matter what the situation was or tone of day. You were my number supporter and I was a daddy’s girl .. I had no problem dragging you out of red lion when you frank to much and mom was yelling because you weren’t home yet and you didn’t even care you would tell everyone that’s my daughter she’s here to come get me like you were proud of it. I know you were proud of me and bud I just hope we can continue to make you make you proud. Tell everyone up there I said hello but I am mad at them because it’s still supposed to be our time with you not theirs they have infinity with you we wanted a couple more years god I miss you .. I love you so much dad .. until we meet again ❤️💔❤️
