“ *The Oak Lane Manor Community Association honors Loraine for her years of dedication to the community by serving as a block captain for Shellpot Drive. There was never a time that newsletters or other communication was delivered to her to distribute that she did not accept the responsibility willingly and with a smile. She was an enthusiastic volunteer, a pleasure to work with, and a tribute to her community.*

“ *I have walked many miles around our neighborhood with Loraine. A phone call and a "meet you in a minute" exchange was all it took to get us together at a corner close to each of our houses. She could walk circles around me and still have energy to spare! I was always met with a hug. She was very happy with and proud of her family and home. Everyone was welcome especially when the house was ready for Christmas. It made her happy to show visitors the tree, the poinsettias. And she always gave Tim the credit for her happiness. He was the boy next door, and her love for him never wavered. Never.*
