“ I had the great pleasure of staying for a month with the Meredith family in July 1981 through Ulster Project, Delaware. I was made extremely welcome and remember vividly Louralee's smile and great humour. I integrated easily within the family and felt like an honorary member. After almost 40 years, I remain thankful for my time spent with the family and keep in contact through social media with Sharon. I look forward to seeing how life is changing within Sharon's family and was very saddened to hear of Louralee's passing. May she rest in peace, safe in the arms of Jesus. Deepest sympathies to the Meredith & Jennelly family circle. Amanda Heyburn (nee Gray)

“ Louralea was such a gracious and loving person. She always remembered my name even though I was a relatively new member of Aldersgate U M Church.
