“ *To The Family,  
Please accept my condolence. I hope that you are able to draw comfort from the scriptures during this difficult time. Let me tell you my favorite text. Job said: “If an able-bodied man dies can he live again ?”. You will call, and I myself shall answer you. For the work of your hands you will have a yearning.” (Job 14:14, 15).*

“ I like to send my condolence to the family of Lucy Dodson' My greatest times with my friend lucy was when she would come down to our saturday nights singings at Main Towers once a month and for our sunday afternoon services. She shared with me how much she look forwarder to seeing us each month for she wasn't able to get out. She would invite others to come, of course their reply was no. She would say if you don't want to go, it don't stop me. she was there each month very faithfull. We sure have miss her since she has been sick , My husband and I will truly miss her, now that she will not be with us in this life . Knowing that Lucy loved the Lord with all of her heart we know if we hold faithfull to God we shall meet her again in heaven to be with her for ever. She always told me how she prayed every day. It broke my heart to see her so sick in the hospital there the few times I had a chance to vist with her. All of her friends who lived at Main Towers they was sharing with me last Saturday evening how they will miss Lucy to. God bless you all and remember you can see her again , just keep in your mind you must walk the same path with the Lord as she did. She is looking i forwarder to be with you all again. She is happy now for she has received the promise of the Lord she has been looking for. This Christmas and for her birthday, coming up as of Dec 26th will be the best she has ever had.
