“ Lucy was an adorable toddler and I enjoyed babysitting her. What I loved most was her smile and beautiful curls. Also she grew older, her eyes and smile is what most people noticed about her. Lucy always noticed my clothes, especially my shoes. We made a deal that she could have my coach heeled sandals when she was ready, sadly I will always think of her when I wear them. I truly loved you, little Lucy and I will help keep an eye on the girls...forever missing you.💔

I've known Lucy for decades. Whenever I would run into her we always had conversations. I thing I knew she loved her children and grandchildren she would talk about them in our conversations with so much joy how proud she was of them. Yes her beautiful smile and eyes would always stand out. Beautiful Queen Rest In Peace. Prayers for strength and comfort to the family.
