“ *My deepest sympathies to the family for the loss of your Mother and Grandmother ... thank you all for always making me feel like part of your family ... Momma D was always so good to me ... she treated me like I was part of the family too... one of my fondest memories was just chit chatting with her whether I was over visiting or on the phone ... we could talk for hours ... she was always like a 2nd mom to me too ... as kids she would take us everywhere... even to North Carolina ... that was such a fun trip ... I will love and miss you always Momma D!!! I'm lighting this candle in honor of you for you were a very bright beautiful light in my life and to all those who knew you ... Lots of Love, Chondra*
