“ I had the priviledge of working with Margaret for several years at St. Francis, in both the Intensive Care Unit and the Operating Room. She was a wonderful nurse! She was kind and compassionate to her patients and very helpful to her coworkers. She taught me so much as a new Intensive Care nurse. I will always remember her and be grateful for the knowledge and skill she shared with me. My deepest sympathy to her family. Sincerely, Kathy Kwiatkowski Jamison

“ Margaret Mary came into our lives through the Church in 2000. We met through the joint CCD program of St. Hedwig and St. Elizabeths and we hit it off instantly. We followed her into the Secular Franciscan Order in 2003 when we professed and we have been sharing our lives with one another ever since. Margaret and I, both operating room nurses, had much in common but we truly enjoyed one another no matter what time we got together. She had a heart of gold, a quick wit, and a wonderful laugh that will be missed immensely by our entire family. Our heartfelt condolences are sent to her beautiful family who she spoke about often and loved so very much. Chrissy, you were Margaret's right hand, whom she truly depended on and we thank you for your love and support of Margaret as she journeyed to meet Our Lord and Blessed Mother. Our prayers are with her and her family. God Bless - Deacon Mike and Pam Boyd, SFO
