“ It's been 1 year since you left us Mommy. I think of you every day; it's been very difficult to move on without you but I try my best. As I live through the memories I wish I could have done more for you but I know that I had the best mother a daughter could ever hope for. The holidays are difficult for me since you and dad passed away during the Christmas season; how can I celebrate the holidays?? We all miss you sooo much. May you rest in peace, Mommy. Claudia and Elianna send you kisses.
