“ My deepest sympathy to the family. Marlene will be missed by so
many as she had touched many lives during her life. She was there
for me during difficult times. I'm thankful for having known her. Go
with God, Marlene. May God's unending love be with the family at
this time.

“ Hard to believe the girl I met when she was 14 is no longer among
us. Many wonderful memories I have of the years she was my sister
in law. Close enough that I considered her the sister I never had.
Holly and family keep those memories close to your hearts.
Farewell my sister.
