“ Hi Katie,

*I sit here in the hospital after an emergency brain surgery reflecting on life and love when I hear of your mother's passing. I'm so sorry for your loss and I hope that you can focus on the positive, happy moments that you were able to share with your Mom. She was a very sweet lady with an open heart of gold. She's with the stars now at peace thankful for every second spent with you. Keep your head up and smile.*

*Take care,  
Kelsey Dickinson from Dogtopia*
