“ *So sad to hear of Melba's passing. I feel blessed that I was able to visit with her a bit at George's memorial. She, George Jr, and Jim looked exactly like I expected and I recognized them immediately. Great memories from Glenville and Melba always was so sweet and smiling. My dad made your house his second home in Glenville often and I think Melba probably shook her head when he showed up to sneak a smoke!!! She will be missed but always a big part of my childhood memories. Hugs to all of you.

“ *We are sad to hear of the passing of Mrs. H, our condolences to all her sons and family.
I have known her since I was 5 years old; she was our good neighbor across the street and was our Den Mother in Cub Scouts. We are glad we got to see her last month.
