“ *Mikey Mack / Brick Our friendship has been short lived and I will never forget you. I love you like a brother. You trusted me as well as I trusted you. We had some scared straight moments , we had some goofy moments , we had some sad and mad moments , and funny moments where we laughed so damn hard we couldnt breath . Your a good Man who was taken too soon a man that put alot of others befor himself. They say the good die young and this is proof of that. I know your in a better place and im sure in time ill be able to except that a little better then I can today. I remember everything you told me and what you tought me and ill never forget you my Buddy. My thoughts and prayers go out to your Mom and family and friends who loved you. “ You were my junior prom date. We have had many many great times. From wrestling to driving the jeep up the hill at the mall. To seeing each other at car shows. I don't want to believe this is real. Rest easy

“ Its really hard to belive your gone man, we all hung out so much as kids and being adults sent us on different paths. But we always ran into each other at random places like car shows or when you took your son sledding. I have no idea what happened man but i hope you rest easy brotha.

“ Mikey we only meant once but the love that my dear friend/coworker Nicole has for you has no limits or boundaries. I'll miss watching her blush as you would call in singing to her for hours. I'll take care of her on this end and you shine on her from heaven buddy. Praying for your mother and family. SIP Mikey
