“ It's hard to believe your gone. We met when we were 14 yrs old at the roller rink and we became good friends right away then a couple for the next 4 years. Even though we parted ways , we remained friends. I was there when your dad passed and I will be there when they lay you to rest. My thoughts and prayers are with your mom, daughter, brothers and your fiancé. You will be missed ... R.I.P Mike..

“ I roller skated with Mike on a speed team. He was so fast that he would be half a lap head of the pack. We called him Rabbit. During sessions some of the stuff he could do on his skates was amazing. RIP Mike

“ I met Mike in 6th grade if craft class. We were both putting together model cars. We were best friends through High School.

I once asked him why we're such good friends. He said he was always the class clown, but I was the one that made him laugh.
