“ I am really rather taken aback as to how this has affected me. I never gave a lot of thought what I might feel in this situation. When all is said and done, I did share part of my life with Michael, and we shared, above all else, our special daughter, Stephanie. I can honestly say, I truly loved Michael, and I do believe he loved me. Like everyone else in this life, Michael had his good qualities and bad. Since learning of his passing, I find that I am fondly remembering the good qualities that made me fall in love with him so many years ago and dwelling little on the past. Rest in peace my once-upon-a-time love. I hope Stephanie is glad to see you!
