Mike was Uncle Whitey to my son, Christopher. He has a lasting impression in both of our hearts. I am so sorry for the loss of your son and I apologize for not recognizing it sooner. I'm so glad that I was able to meet all of you way back :). I truly loved Mike :)

“ To Ron Sr, Judy, Ron, Gina, Joey. How does one say they are sorry for your loss. I cannot imagine losing someone that is so close to me. My heart goes out to you. Many hours I spent over your house babysitting...Many of days I jumped over the back fence to your house. Those are memories that will not be forgotten. Let this be a time to all of you that life is too short. Don't take each day for granted. We will all miss him..Noreen###imported-begin###Noreen Ferrier###imported-end###

“ Ron, Sr., Judy, Ron, Jr, Regina, Joe,

My mere words cannot express how deeply sad I felt and still feel about the loss of "Whitey." I was introduced to him by my cousins Lou and Mike Ferrier of Union Street many years ago. I immediately took a liking to him and to his great sense of humor. I can still picture him and hear him saying some of the crazy stuff we all used to talk about. We were teammates and opponents in basketball and wiffle ball too. I had not seen Whitey recently, but knew of his condition and asked about him all the time. I begged his friends to set up a re-union of sorts, but they failed me and never followed thru. It still angers me. I have buried way too many of my friends and I have come to the realization that we need to cherish the people in our lives more than ever. We should all be getting together and hanging out more often than not. Time is slipping away. I mourn for Whitey and for his brother Mark "Spook."

Please be assured that Whitey, Spook, and your entire family will remain in my thoughts and prayers.

Respectfully, Tom Ferrier "Jap"###imported-begin##Tom Ferrier "Jap"###imported-end##
