My memories of Michele were more during her years as a little girl. Since we're were only 9 months apart in age , we palled around together whenever the cousins visited Aunt Rita's , Grandmom's or parties at Michele's house or ours. Remember putting ice cream in our soda Michele and our moms would get upset ? We swam in pools together , made mud pies out front of my house , and smoked cigarette butts in the Cadillac (had to include the ornery stuff too) .

The last time I saw Michele she gave me a bracelet she wanted me to have . Her heart was so loving .

Michele I know you are in a better place . Although its difficult to let your sweet spirit go , you are still with us , but you now live with no pain and you are free .

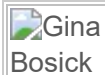

I'm thankful I had you in my life during our childhood .

I pray peace and healing for your family (John, John Jr., Debbie , Lisa & their families) as they walk in this life without you .

There is peace in knowing someday we will see you again .

Love
Gina

“Aunt Shell will truly be missed. She was such a loving, caring soul, who always cherished her family. I have so many great memories ranging from my child hood, all the way to the present of adulthood due to her genuine love for me. She always made me smile, and showered me with her love. Always. To this day, I can still fall asleep at night to a back rub, or a head scratch, because of all the countless nights Shell Bird put me to sleep. She never missed a birthday, holiday, graduation, or the birth of my son. My Aunt Shell will positively be missed, by not me alone, but my entire family. She was my mom's best friend and partner in crime. I know she is in a better place, with Mom Mom and Pop Pop by her side, smiling down on us all, because she was always smiling, still sending us her love!

“ Oh Mom... How my heart weighs so heavy for your boys... It's crazy how I walk in and still wait to see you. I miss your smile, your laugh, all those random convos we used to have in the living room. A big piece of my heart has gone with you, I know your looking over everyone. You showed me love and took Me in as a daughter, the bond we have will never be forgotten or replaced. We had so many plans and goals and it just sucks how you left so quick. I Love You & Miss You SO much!

“ 1 Thessalonians 4:13-18

And now, dear brothers and sisters, we want you to know what will happen to the believers who have died so you will not grieve like people who have no hope. For since we believe that Jesus died and was raised to life again, we also believe that when Jesus returns, God will bring back with him the believers who have died.

Shellbird, you will truly be missed! I question why you were taken, but know our courses are predetermined. We may never understand why, but I believe you have to be in a better place... A place where you no longer have to suffer, a place where you are with mom mom, pop pop, & uncle vin, a place where Pizza, Pasta, & Pizzelle are always on the menu. Gone but never forgotten

“ *To my beautiful and caring Sister Michele, (Shellbird)*
Today is a terrible day, because Shellbird would call me every morning to start our day but this morning she didn't, we would talk several times a day and I sure am going to miss her calls. If you knew Michele you would know she had a great personality and a big heart, and loved to be around people. When my boy's were born I never had to get a babysitter, she was it.....When we lived in Texas she would stay with us for months at a time and we would always have lots of laughs and good times.
Love you always Sis

Our prayers are with John and John Jr. The Ciliberti Family
