“ *Aunt Mary and family i want to let you all know how deeply sorry i am for your loss. I can remember coming to your house when i was little i believe it was behind the airport. I loved when we came to visit as You and Uncle Nick were my favorite aunt and uncle . I remember Uncle Nick was always a strong quiet man. I always thought even as a child you can feel the love between you and Uncle Nick. Even though Uncle Nick is gone on to heaven those memories will stay with me. And i know the memories you and your children have will see you through this difficult time. Love you all Uncle Nick will always be with you in your heart god bless*
