“ *Prayers are with the family! Some of the fondest memories of Nick are him showing up on a Sunday at our house. We would make him a big breakfast and he would say it is to much food, but he would sit and eat it all. He would tell us his life experiences. Some of his stories were about the military and working with his father. It always made him smile when he told his stories. I known Nick for 30 years and he was always a wonderful freind and always felt like part of my family. Going to miss me able to pick up the phone and call you and you showing up at my door, but will always cherish the memories. We will MISS YOU AND WE LOVE YOU! We will see you again some day! !*
