

Patricia Ann "Patsy" Tweed

December 31, 1953 - August 15, 2020

Patricia "Patsy" Ann Tweed, 66, of New Castle, Delaware, passed away peacefully with her family by her side on August 15, 2020. She was born to the late Bearl and Lillian Bonecutter on December 31, 1953 in Annapolis, Maryland. Patsy graduated from De La Warr High School and continued her education over the years in Teaching with a focus on Early Childhood Education. She married Richard Tweed in 1985. They spent 42 wonderful years together loving each other and raising a family together.

Patsy is survived by her husband, Richard; three children: Jacqueline Tweed (Jeff Gunter), Michelle Cooke (John), and Albert Bolgar (Dina). She is also survived by 6 grandchildren: Tabitha, Caitlyn, Seamus, Matthew, Kirsten, Nick; and one great-granddaughter, Abigail, expected to arrive September 2020.

Patsy was a loving Wife, Mom, and Mom-Mom. She enjoyed spending time outside in the yard just "plucking around". She loved her snowmen and kept them up all year long. She enjoyed watching Hallmark movies especially Christmas ones. She was always on the move doing something. Patsy had a large extended family of friends and children that she considered as family. She had a compassionate spirit for caring and always made everyone feel loved and welcomed. Although she is no longer with us, we are reminded that she has rejoined her heavenly family and is now our forever guardian angel.

Patsy's funeral will be private for immediate family members. The family asks that you celebrate the life of Patsy by remembering all the great memories shared over the years. In honor of Patsy's heart for helping others, donations

in her memory are suggested to a charity of your choice that benefits children.

“ I met Mrs. Patsy through my friend, her daughter , Jackie. She immediately & always treated me like family. She was caring, funny & also could be a tough Lil' cookie when needed. I thought she was GREAT! I know she will continue to watch over her family as she always has. God Bless. Prayers & Deepest Sympathies to the Family.

“ My Mommom was one of the funniest people I know, also very knowledgeable. I used to call her all the time, “Mommom!! I have these mosquito bites all over my legs, know any way to get them to stop itching?” - she always had a hack telling me to use Vick’s vapor rub, then would continue to tell you what else to use it for. Any time you had a question about what foods to not eat she sure had a list. I’ll never forget those phone calls. Missing you a lot 🦋❤️
