“ Memories how many do I have? First and foremost I remember my big sister .Thru all the good times and bad how we were always there for each other .The last four years I missed that everyday .But when God calls and leaves you behind all you have left are your memories.three little girls growing up an Delaware Circle playing hopscotch , kick the can and all the fun kids today will never remember .The day you gave birth to my nephew Bobby .Oh my gosh how happy we were.Later the fun we had playing cards with joe and tommy in the kitchen.Then marriage for both of us and starting our families .three times we were all expecting babies together .Happy Happy days together .Now I will not be there to say good bye but in your heart you had to have known how much I loved you and my litle sister .We were so stubborn and full of pride . So alike .To my nieces and nephew and families I send my sincere sympathies . I know you were miss your Mom but know that she has gone to be with family and we will meet again ,Rest in Peace my sweet sister I will grieve for you at home and never forget the good times...Love you Marysue
