“ I would like to express my online condolence.

It's been years since I've seen any of the Moore family, however, Pearl has always been close to my heart. I'd like to express my deepest sympathy to the entire family. I know this Angel now has her wings. Pearl was the most kind-hearted, giving and caring person I will ever know. She was always there to help any one in need. She will never be forgotten. I am so sorry for your loss.

My prayers and thoughts are with you at this time,

Bernadette Davis
