“ Steve and family, I'm thinking of you during this tough time. Peter sounds like he was a good, salt-of-the-earth man. I would have liked knowing him.

“ I worked with Pete at the dealership. He was a dedicated family man as well skilled as a mechanic. I had a lot of conversations with him over the years about family and what is most important, the quality of life. My heart goes out to his family he will surely be missed. RIP my friend. Willard V.
