“ Phil and I had fun listing and selling real estate for several years at Re/Max Associates. I learned a lot about selling from Phil. He made it look easy and, as Realtors know, its not!! Golfing was his guilty pleasure. He could do business and golf at the same time and no one knew he was on the course. Phil and I spoke a few weeks ago and we talked about our time in real estate and I thanked him for being a part of my life. Rest in peace, my friend. Carla
