“ *Mrs. Dolly and Family,*

*Words cannot express our sorrow for the loss of DeWayne. DeWayne was one of my hardest and most reliable workers that I had the pleasure of hiring for VWR back in 1999. His contributions to the company during his years of service were many. He was respected by his fellow co-workers in addition to the various DuPont employees that he interacted with on a daily basis. Knowing him as a I did for many years, I am well aware of the contributions that DeWayne provided to make our business a success. Speaking on behalf of VWR, we are deeply saddened by your loss. We will always cherish the memories of our times with DeWayne. You are in our prayers and we are with you during your time of grief.*
