“ So so sorry to hear if Ricks passing. Rick was one of the few people you get to meet in life that would never hurt anyone. A truly kind person. Who else could have a pet raccoon. Others have mentioned growing up on Highgate road . Though you may not keep in close contact those where lifelong friendships and Ricks passing is truly saddening. Michael Malm & family

“ Trish, Steve, John and Nancy, I was heartbroken to hear about Ricky's passing. Growing up in Highgate, we were like one big family. I will always remember how passionate Ricky was about music and sharing his latest album purchase. Always ready to lend a helping hand, my last memory of Ricky was when he was trying to help me get my garage door fixed. I am so sorry for your loss.

From Wendy Berry Mazzini

*My deepest condolences to you all. I was so sorry to hear of Rick's passing. We will pray for healing and a final peace that will come too slowly, I know. I only remember the little blond boy running to the pool down the street and playing in the back yard with friends, siblings, pets, etc. Rick's spirit can return to these times free of mental strife and bodily hurt. The Berry's Love the Grants.*
