“ *A chapter in my life has ended. I find peace knowing my grandparents are together again, without any sickness or burdens, it breaks my heart to lose them so close together, but their memories and legacy live on forever in my heat <3*

“ To All the Family, Our prayers are with your during this very sad time. I'll never forget the last words Pop-Pop Bob said to me at Mom-Mom Audrey's service, "How's Nathan doing, I love that little boy." I was so touched he was thinking about Nathan at his time of mourning, this was so heartwarming. I'm thankful for the time that Nathan shared with both Mom-Mom and Pop-Pop when Nanny took him to visit. It was so nice for Nathan to have this 'special' love of his great-grandparents. I will always remember Pop-Pop's pleasant and positive attitude. I was amazed at his strength and speedy recovery after his heart surgery. His kindness and love for Nathan will forever be in our hearts.

With Deepest Sympathy, The Godwin Family
