“ *Annie, Robbie, Cristina, Michael and your families. Words cannot express my sadness of hearing of the untimely passing of Robert / your dad. He was an integral part of my growing up as an extended family member of the Noto family. We laughed, talked and cried these more than 40 years. Thanks for sharing him with me. My family here in Farmingdale and Japan send their condolences to you and your families. Peace to all. He sure is with a fine group that have gone before him and I bet they are having a welcome party for him.*

*Love,
Susan*

“ *Our thoughts of Robert are that he was a kind and gentle man. A great conversationalist who could engage you on any topic. A loving husband, father, grandfather and father-in-law. We could tell from the way Rob and Cristina spoke of him that he was a man that inspired love and admiration. We count our blessings having him and his family as part of ours. Love and Prayers, Bob and Terrie Kalesse*
