“ I have been blessed with the most wonderful father-in-law in the world. From the first time I met him over 35 years ago, he has been so kind and loving to me. He has been a 2nd dad to me - especially since my own father passed away. He was always there for us with whatever we needed. Also, he was such a Godly man - setting such a wonderful example in all areas of his life. I loved him very much and will miss him. I thank God that he was in my life.

“ Ron and I met Mr. Parker at family holiday get-togethers at Steve and Kathy's home. Like my own father-in-law, he was a tall, quiet, gentle, and Godly man, who had a wife and family who truly adored him. I know he wil be sorely missed by all who knew and loved him. Be assured, he's in a better place, where we all hope to meet him one day!

“ Bob, I will never be able to thank you enough for all that you have done for me and my daughters. I could not have asked for a better pop pop for my girls. I know that my girls were proud to have you as their pop pop. I remember like it was yesterday that we were either sitting on the bleachers or standing on the athletic fields at New Castle Academy watching Kerry and Wendy at their sports events. I know that you are very proud at how they turned out but they owe a lot of thanks to you for that because of your Godly example.

I know that Christ opened his arms up to you when you departed this earth and I know that he said, "Well done, my good and faithful servant."

“ Poppop,
Still can't believe you are gone. You were the BEST poppop a girl could ever wish for. I know you are in Heaven free of pain but it doesn't stop the pain of not having you here. I love and miss you dearly.

Love, Kerry
