“ *My loving Poppop. So loving with a heart full of gold. Life will not be the same without you. I will forever cherish the moments we had together. Playing card games and dominos, working in your wood shop to having conversations about life and spending the night at your house when I was little. Ill forever miss the sound of your voice and smile, you calling me your beautiful granddaughter but most of all your presence. My ray of sunshine. Love you so much. Xoxoxo*

*Your beautiful granddaughter,
Steph*

Bob and his family were good friends and heighbours of mine when I lived in Klair Estates. Mark was about the age as one of my boys. We share a lot of birthdays together in the neighbourhood. In later years after the kids were grown up and had kids of their own I visited Wilmington a couple of times and had lunch with Bob, Lew, Anna Mary and Nan. They came to see me in Carlisle, PA a couple of times too. We who trust Christ as our Savior will someday be together. Keep looking up. Christ is coming. May God be with you all during this time of sorrow. With love, Irene (Gunning) Bailey
