“ To Bob's family and friends-

I had the honor of being Bob's academic training leader while he was learning the FA role at the home office. The weeks we spent together were full of laughter and fun - because Bob was there. I pray for you and your family and will remember all the fantastic memories Bob left with us.

“ My thoughts and prayers are with Bob's family during this difficult time. While it's been over 30 years since I've seen Bob, I'll always remember his smile. He could always make someone smile too. He did great impersonations of the characters from Wizard of Oz.

“ Joanna,
I normally would have sent a card, but I know Bob would have liked me to use this "new fangled" technology, so I'll do that for him. Bob will be missed by all of the Geiersbachs. I had a ball working with him -- he was such a great colleague. I was so proud of him when he decided to make the move to FA. Fred always enjoyed talking w/ him and sharing their eclectic music interests -- who'd a thought two digeradoo players would end up in Middletown, DE? Xander and Guen loved it when Bob came over to the house. He always took the time to answer ALL of their computer questions and never made them feel like little kids -- pretty cool. Xander still talks about when he came over to watch the Formula One race w/ Bob. Once again, Bob sharing his interests w/ the younger crowd and making them feel so special. Know that our thoughts and prayers are with you during this difficult time. Peace, Carla, Fred, Xander, and Guen Geiersbach
