“ *Rob,*
I knew your Dad, and he was a good, straightforward man, treated me with respect, and was kind enough to allow me to enjoy your house and company. My deepest condolences to you, I know it is hard to lose your father. I will speak to you personally very soon, and I am so sorry that I could not make the visitation. Hug your mom and those closest to you, and add a little extra one for me. Love you, dude. Talk soon.

I was saddened to hear of Buck's passing. He was a wonderful man. You have my deepest sympathy.

Your children are examples of the great job that both of you did in raising them. They will always be a constant reminder of his love and influence on them.
