“ Robin.....my second mom! I will always remember you! I think about all the good and bad times that we shared! I remember when you worked at Pizza Hut. You would pick me and Wallace up and take us to ur house near chatter box for the weekend. U would call and ask us what type of pizza we wanted and u would bring is 2 regular ones and 1 desert pizza that had apples and cherries and stuff all over it!then u would call us satuerday on ur break and ask if we was ok and ask if we still had smoke and if we sad no u would tell us where u hid some around the house so we would not smoke it all before you got home! Lol that's just one of many many memories that we share! You maybe gone but you will never ever be forgotten! I love you mom! Rest easy and watch over us and tell mikey we miss him as well!
