“ *Mr Rowland Almona, you will be surely missed. I remember you charming calm voice and your enormous wisdom. Sad that death took you away so soon from us. You will forever remain in our hearts. Rest in peace. -Paul Odiwo*

“ *From afar Chief Roland Bobo Almona was an exceptional being, then getting close made it all too good to know that he was not just exceptional but had the fear of God which made him outstanding. He was liked and loved; we grew up in the eighties hearing his friends call him Roli Americana before he went back to the United States of America. As a Father, Uncle, his adherence to rightful thinking drew many people to him. We know your spirit liveth...*

“ *Some have the capacity to love but they rarely do. Some are inclined to brilliant knowledge, they seemingly share but they don't. As a father,you gave whole heartedly on a meta level.*

*My brother, my mentor, life is never going to be the same without you. You were bold, always saying it as it should be said. You stood by me when it mattered most. To make my burden lighter, you gave up your time and resources. I will never forget the advice you gave me. You live in my heart for always. I love you my swaggalicious brother. Rest in peace my pride, my handsome and brave brother.*
