“ *Only a brother can understand the bond of brothers. I remember the doctor saying when you were born that you only had a short amount of time to be in our lives. but you gave us your best years. We had great times together and you defied the doctors for 49 years. But as i see it, you are in great company now with dad, pop, grandmom, and my best friend R.K. You only been gone a short time and i miss you very much. I cant call you anymore to ask you to come over and fix the car or help me on the house. so keep an eye on us. and I will remember the good times we had together and how mush I love you and how much I will for the rest of my life.##imported-begin##Henry Lockard##imported-end##*

“ *Uncle Ron:
I thought of you yesterday and today and said a prayer. I prayed to God that he give you a kiss and hug from all of us and tell you that you are now in heaven and at peace..that there will no longer be anymore pain and suffering. That you are not alone, that just beyond those gates is your daddy waiting to be reunited with you. We were blessed to have you in our lives for so many years and yes, our hearts are broken since you had to leave us so soon. Just know that this is not goodbye...that we will all meet again. So for now we will keep you in our hearts and memories...you will not be forgotten as we will always remember that caring, funny, free spirited side of you. In case I didn't say it enough, THANK YOU, for all that you have ever done for us. We all love and miss you very much... XOXO... Rest in peace!##imported-begin##Donna Green and Family##imported-end##*

“ God said to the angels. "Let us man in our image". Ronnie came down as an angel, he returned to our father as an angel. To be absent from the body is to be present with the Lord. Hes gone back home now. Wish i could be there. I love you all and God bless you.##imported-begin##Doris Eagan##imported-end##
