“ The Duck family has been like a second family to me since I was in 1st grade. Ronnie had a heart of gold and was so, so funny!! He always welcomed me in his home with open arms whether I was there for a visit, slumber parties or dinner. He was the first one to teach me "Beans, beans they're good for your heart, the more you eat, the more you fart" at the dinner table LOL!!! He was one of a kind and will be missed by many, especially his girls. They were his world. The "Duck 5" will be apart of me forever. I'm so sorry for your loss. I love you all and you're in my prayers.

“ He was my daddy, I loved him more then anything...give anything to have more time with him.. He was the best and had a big heart, a laugh that was contagious, and would do anything for anyone. Dad could talk to anyone about anything he knew a little bit about a whole bunch ~ he will live on through my sons and I will teach them all his funny sayings and goofy mannerisms. My dad was one of a kind & I will miss him so very much. This is not goodbye, I will see you again I love you pop xoxoxox
