“ This is a little late, I found this while searching for Russell to get in touch. I had many a good time with Russell during the 60s thru 80s at Keith's/Cheryl's Sky Lounge. He was a good man, would give you the shirt off his back if you needed it. Of course he would win it back on the Shuffleboard when Keith had the Sky Lounge.
My sincere condolences to his loving family Bob Dumont

“ I worked with Russ for 15 years at Atlantic Aviation. He was a very good teacher. Those 15 years are unforgettable. We worked a lot of Saturday's, almost always the crew would meet for breakfast prior to starting the work day. Russ was a true leader. On my very first day he told me to get a piece of paper, and pencil. He was only going to tell me something one time, I made sure to pay attention when he talked. There is on other thing I will never forget. He sent me to the Line shack for a bucket of prop wash. RIP RUSS!

“ Russ was my best friend and I miss him terribly . We shared so many memories during our 56 years hanging out together . I always followed him home from the Kum On Inn and had breakfasts together every Thursday ' It's a big hole in my heart . I keep wanting to call him just to say hi. He was family to me.
