“ *You are all in my thoughts and prayers. Ruth will be missed by all who knew her. When I would see her at family functions, our conversations usually were about the Lord and how good He is! I know she is with Him now. Love, peace and blessings to you all!*

“ Dear mom mom,

First off id like to say that you were the greatest grandmother any grandchild could ever ask for. You made everyone laugh no madder who it was, you were the life of the party. It feels like it was just yesterday when you were my neighbor on cox neck road and i would always come over for sandwichies. You've done so many wonderful things for me and im ever so grateful for that. im going to miss you mom-mom forever and ever. i love you so much and will always love you. You may be gone but you'll always be in my heart. And ill always be your "bupsha".

Love, Matthew McMullen

Dear Mom-Mom,

I must say that I have the best name, no thanks to you "Ruth". You always said that I was a "tough little cookie", well I got that from you and I will cherish that always. I am so glad that you got to meet my son and experience the beautiful little boy that I love so much. Your wisdom, love, and spirit will live on.

I love you Mom-Mom.

“ It has only been 24 hrs since you passed mom mom & it still hasn't hit me. I miss you already & I love you with all my heart. I will never forget the times we had & I'm so grateful for everything you have done for us. You were the only person who still thought I was a perfect angel after many mistakes I have made. You always told me I was beautiful & you loved my curly hair & how i look like mona Lisa Haha. You supported me in everything i have done & told me you were very proud of the person I have become...which means a lot to me. Just 2 weeks ago you were playing with Nate & telling me how handsome he is & how im such a good mom. I learned from the best. You were my role model & the greatest person to be in my life. I know your telling my dad about all the things I have accomplished & I promise you will always be in my heart. I love you <3. Sincerely, 'melissy'
