“ So sorry to hear the news. One of my best memories of Sam was he would always catch more fish than me. Most times with other friends I would come out on top but never with Sam. We fished the Millington spring perch run several years and for every one I caught he would catch 9 or 10. He would say you have to hook them before the float goes down.

I never did figure that out. On the way home he would say " LET ME KNOW WHEN YOU NEED ANOTHER LESSON " " Rest in Peace "
