

Shaun Duwayne Carroll

October 7, 1980 - January 5, 2026

Shaun D. Carroll passed away peacefully on January 5, 2026 after a long battle with kidney disease.

Shaun loved his family and looked forward to spending time with them. He enjoyed visiting South Carolina to spend time with his aunts, Suzy and Sandy. Suzy had a special relationship with Shaun, which he cherished. Shaun had a way of making everyone smile with his silliness and kind spirit. His Aunt Joanie took special care of him over the past several months. They bonded over his “sweet” tooth requests, Wawa contraband, and just hanging out together watching the Eagles games. They were never short on laughter and “eye” rolls.

Shaun had a special bond with his younger brother, Jeremy, and was able to spend an entire week with him over the Christmas Holiday. They shared childhood memories, and it was a very special time for both of them.

Shaun spent the last 18 years in a group home with his Montrose Family. They truly loved him and celebrated many life events together. His counselors took excellent care of him and had this to say about Shaun: “Shaun’s presence in our lives was a gift, leaving an indelible mark on our hearts. His radiant spirit, unwavering resilience, and simple joys in life were a testament to the beauty of the human soul. His big smile had a way of brightening up the

day, and we'll always treasure those moments. May his memory continue to inspire us to live with kindness, compassion, and joy.”

Shaun was preceded in death by his parents, Debbie and Johnny. He is survived by his brother, Jeremy Hale; his aunts: Suzanne Carroll, Sandy Lancaniese, and Joanie Winnington; his cousins: Jeanette Hooks (Tim) and Mandy Brewer (Billy); and a host of extended family and friends.

Services and burial for Shaun will be private. In lieu of flowers, please consider donating to the National Kidney Foundation of Delaware: <https://www.degives.org/orgs/national-kidney-foundation-delaware>
