“ In addition to being the amazing mom of Eric and Kim, I remember Shirley for her jingle bell solo during a Christmas concert at Leasure and for her excellent bus driver talents. If her bus riders weren't compliant, she'd come back to Leasure, wait for them to calm down and keep the noise to a reasonable level, then resume her route. It didn't take many restarts before the students knew Miss Shirley was a woman of her word. What an incredible lady. My sincere condolences to her family.

I used to work with Shirley at Red Lion Bus Co. She always had a smile, and I loved to hear her talk. Prayers to the family.

“ I am deeply saddened by the loss Shirley. She was my bus driver and neighbor. She was always full of laughter and made the trip to school and back home a lot of fun. Her door was always opened and made always feel welcome in her home. She will be greatly missed.
