“ I send my sincere condolences to the Clement family. I grew-up with Steve and had many great times with him. I over the years have lost touch with him-but I will always have very fond memories of the many events and fun times we had as teenagers. I enjoyed his company and friendship, and his love for his dad's 1966 Baby Blue Buick Wildcat, which was a very fast car that we would often drive. I also enjoyed his love of trains too. As kids we would often go down to the train tracks located at Weldin and Tally Roads by RT. 95 to watch the trains go by. I again, hope that God will bring peace and comfort to Steve's family at this time of great loss.

God Bless,

“ Bonnie,
Steve was a wonderful guy and a great friend. I remember the first time I meet you booth at the alley, after bowling next to you guys several times Steve invited me to bowl with you and I thought that was kind. Steve would always coach me on where to stand or where to move to most times it worked and the other times when it did not it was my own fault. when Steve invited me to be part of the team that made me feel special because at that point I knew I had made good friends with him and you. Steve is in a better place now, I know he's looking down at us all trying to still give us advice and guidance. Steve will be greatly missed by many. Steve may you rest in peace, thank you for the memories and we all will meet again.

“ Dear Bonnie and Chris:
To be absent from the body is to be present with the Lord. Bonnie you said Steve was stubborn, which means he wanted to do things his way and on his terms. He wanted to LIVE life until the end. Take comfort in knowing he did just that. His body is now at rest and his soul is at peace. I am so glad I got to see and hug him one last time.
