

Stephen Matthew Turner

February 28, 1992 - June 15, 2020

On June 15, 2020, Stephen Matthew Turner peacefully returned home to his maker. Stephen was an exceptional person as a young boy who followed sports at the age of 6 and was the first one in the morning to grab the newspaper to read the sports page. He loved the Philadelphia Flyers and would save his money to go see them in person. He excelled in mathematics and was able to travel to Europe for competitions. He loved fishing on the beach and saved his own money to buy a tent. He did all this by the age of 13. As a child and as an adult Stephen was known for his enthusiasm and persistence to get what he wanted and the energy to work for it.

As exceptional and loving as Stephen was, he was caught up in addiction. He tried to battle it with the same persistence. Unfortunately, drug addiction obscures a person's perception of reality and the belief in one's self begins to wane. He limited his own potential and finally succumbed to the disease. Stephen, you will be sadly missed by all and know that we loved you and never lost sight of your value as a person or your ability to win the battle.

Stephen is survived by his parents, Kathleen Cetola and Terry Turner; brother, Ronald Zappaterrini (Jennifer); sister, Diane Begg (Theodore); his precious son, Landon; two grandmothers; many aunts, uncles, cousins, and good friends.

In lieu of flowers, an educational fund has been set up for Stephen's son Landon. Donations can be sent to:
