“ *Some of you may have heard the story of Peter the lama. Many years ago we were at the beach with the kids and went to an amusement park where they also had live animals. Apparently It was love at first sight for Peter and he followed Sue everywhere. She tried to hide from him to no avail. We finally had to leave. We had a laugh about that for many years. Sue had an effect on everyone and everything she touched. We will meet again. Until then RIP Sue.*
