“ *Bunny ~ I have fond memories of growing up with the Rogers Manor gang, hanging out at your house, and spending time at your pool. Your mom and dad always welcomed everyone with open arms, and took a genuine interest in engaging with the kids. I will always remember your mom's ever-present smile and hearty laugh. She was fun to be around and it was always clear how much she loved you. My thoughts are with you.*

“ *We had the pleasure of meeting Theresa at Southern Palms RV Resort Park in Florida about eight years ago. We immediately connected and became good friends. She was a pleasure to be around and we had a lot of fun playing cards together and having a few meals out and about the community. We will miss her dearly. Our deepest condolences goes out to her daughter and extended family. In Sympathy, Vivian & Barry Tibbetts*
