“ I always enjoyed Tom's company during our visits at the VA. I would always rib him about being in the Navy due to a type o by the VA Regional Office. Needless to say he would get a little sparky with his reply and say "Army Damn it, I was Army" , you will be missed my Brother.

“ From the time I was a young boy swimming in the creek behind Wayne's mother's house, cousin Wayne always made me feel safe. From all the family events-- weddings, birthdays (from Wayne's 70th to Dolly's 80th), and Ann's Memorial we enjoyed each other's company and treasured the meaning of family. We always enjoyed all the adventures he shared with us about being involved with all types of car racing, micro, midget, and pushmobile derbies. Wayne has lovingly served us all--family, friends, and Vets--and has enriched our lives with his life. He was a kind-hearted, hard-working man who will be dearly missed.

Wayne, love you always.

“ You will be sorely missed at our annual Fall Newark High School All-Class reunion. You never failed to jump in to help set up and break down, and afterward, a bunch of us would go for breakfast at the Waffle House. It just won't be the same...
