“ *I met Tim in the early 90's when I worked at the Hi Way Inn and he worked at Pepsi. I loved him and he me. We lost contact but I thought about him many many times. I just randomly googled his name and found his obituary, I'm devastated. I always hoped I'd run in to him again one day. Rest In Peace my friend. So sorry I never got to to see you again.*

“ *My deepest sympathies are with the Klein Family! Tim was a wonderful man whose life ended way too soon. During our life together Tim enjoyed hanging with his friends, helping at the Lodge and amazing us with his knowledge of sports. There are thousands of cherished memories with Tim who was my friend, lover, fiance, back to friend. The most cherished was late night dancing to our song Garth Brooks 'The Dance'. The cutest memory is when he would hear a song he liked – especially those Bee Gees. Tim would slap his hand down, he'd say 'Love this Song' and his shoulders would go up and down, his lips pressed together with a half smile and he would sing the song in his own words. Thank you for the memories! RIP Tim!*

“ RIP my brother. We had a hell of a lot of fun, caught a lot of fish, played a lot of golf, and had us a few cold pops along the way. I'm going to miss you my friend. Don't catch 'em all up there! God bless you! Until we meet again!

Your buddy, Tuck
