“ I miss you buddy. Great times playing hockey for St. Mark's and other shenanigans in high school. The team hockey trip to Lake Placid was the best. Thanks for making me feel welcome at a school I transferred to during my Junior year. Somehow i got called down to the office one of my first days at St. Mark's. I thought i was in trouble but they just wanted to ask if i want to join the hockey team, and I'm glad i did. Thinking of the good times always - Mike Whetzel

“ Tim was a true Montessori kid at heart - interested, engaged, and self-sufficient. He was honest and open, active and pleasant. Always with a smile and a mischievous grin on his face. He was very level-headed and fair, always looking to make sure that things were even and that everyone was included. I was his teacher in 4th, 5th, and 6th grades. He was in one of my earliest classes when I was a fresh new teacher, and he made being a new teacher easy. I always admired him for his honesty, his conviction, and the way he made others feel at ease. I am praying for Pam and John, and for Tim's brothers and extended family. May you find comfort in this difficult time.

“ I am in shock... and so deeply saddened and praying for all of Tim's family and friends right now. I can't believe it. Tim was my best friend at Montessori up until he graduated. He was always silly and kind and a huge part of my childhood. I'll never forget his laugh... and so many other memories.. I have many photos of him (before iPhones) of us taking on my Kodiak and getting them developed made us laugh even harder at them.

I still have some of the notes we would throw at each other from montessori lol we thought we were so cool with notes and AIM! I am praying and sending so much love to Tim's family at this time..... Tim's mom was his rock... and I'm just so incredible sorry.

“ We are still in shock and our hearts are broken. We will always remember Tim as the cute blond boy, who stole our hearts. Our thoughts are especially with Gerry - this is something no parent should go through. We like to think that Tim is playing hockey with the clouds in heaven and has a blast. We will always keep him in our hearts - Gabi, Gene & Josh

*Prayers to the family, Tim always made everyone feel happy when he was around. Being a friend of my son he called me Mom. We enjoyed him when he came over to hang out. He was a very loving kind person. He will be missed by all who knew him.*
