“ Trevor an I met during our tenures at HSBC Bank when the Funds Transfer Division of Marine Midland Bank and HSBC Bank were merging operations in the early 1990s in the World Trade Center. Trevor had an upbeat attitude, and a positive personality, was always making jokes and working hard to make others laugh. During those early days, we had huge volumes of work and lots of stress, so having Trevor in our midst was a blessing because he was such a ray of sunshine and always happy.. Trevor and I had a good personal and professional relationship that lasted through 2008, which is when I spoke to him last. I will always have only good memories of Trevor.

Trevor my friend, REST IN PEACE.

“ Trevor had a great sense of humor, and he was always smiling. I've only known him for about 2 years, but it feels like I've known him all my life. I will miss him, and I look forward to seeing him in Paradise. We will share some doubles at our first picnic.

I have never had the pleasure of meeting Trevor while I was living in Delaware and attending St. James Church. I have been praying for him, particularly during these last few months. I am so sorry that he is no longer with us but he is with the Lord that he loved and served so faithfully. I look forward to meeting him in glory some day. May God grant you peace, Juliana and family, and comfort in your loss.
