“ Dear Wanda,Penny ,Melodie,Warren,Vivian,Wallis
Anne,William,Mark and Helen ,

And to all the friends and family of Virginia..
It has been my pleasure to be your Mom's financial advisor at Morgan Stanley for the past 1 1/2 years.Seemed like a lifetime to us..
Your Mom is a pistol !!!!
She and I really bonded after a few trial sparring efforts.

Mutual respect is a good thing.
Tough but fair !! We laughed ..we cried..we did some buisness from her hospital bed after a fall (no surprises there !!)
I don't think she ever really retired in her mind..she just took on other challenges.
I will miss her..
Please take with you the fondest of memories as you celebrate her life.
And pass on your own memories to others as you walk your own paths through life .
That will be her greatest gift !!
Sincerely,
Steve Felt

What a wonder woman your mom was! She let everyone in her life and made them feel warm, fuzzy and wanted. It was a blessing to live across the street on Mendell Place when we were little. Remember going down to the farm and picking asparagus and pumpkins and using the "outhouse" and remember Rosie the raccoon? God give you peace as you lay her to rest and know that God must have another plan for her in Heaven. She was with us for such a short time, but oh....the impact she made! Bless you all!
